

The logo features a stylized lowercase 'e' that is shaped like a teardrop or a leaf. A light green arc curves around the top and right side of the 'e', ending in a small leaf-like shape. To the right of the 'e' is a hyphen, followed by the word 'oilé' in a bold, dark green, sans-serif typeface. The 'i' in 'oilé' has a solid dark green dot, and the 'é' has a small dark green accent mark above it.
